High School
North Richland Hills, Texas**

**Alisa Kay Smith - Jim Ned High School
Tuscola, Texas**

**Aubry Taylor - Ingram Tom Moore High School
Kerrville, Texas**

**Tram Tran - Central High School
Beaumont, Texas**

The Scholarship Selection Committee of the TTA Foundation Board reviewed more than 1,500 scholarship applications to select 20 recipients for the 2006 - 2007 school year. "It is a fun, but difficult process," commented Amy Linzey, Chairman of the TTA Foundation Board. "The quality of applications gets stronger every year. There are so many qualified and talented young people that we hear from. It is exciting to review their accomplishments. And, it is difficult to choose from so many outstanding applicants."

In addition to 20 new scholarships to be awarded for the next school year, five repeat scholarships will be awarded to current scholarship recipients. Repeat scholarships will be awarded based upon grades from the current school year and an essay that recipients are asked to submit for consideration. Repeat scholarship recipients will be selected by the end of June.

Including the current recipients, the TTA Foundation has provided \$140,000 in scholarships to Texas students. Thanks to all who contribute to the foundation and a special thanks to those who served on the Scholarship Selection Committee!
